

2023 PARENT PAYMENT ARRANGEMENTS

Dear Parent/Guardian,

Lethbridge Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- arrange Visiting Artist incursions,
- substitute swimming programs,
- provide enhanced digital technology materials
- purchase books to increase our school library.

Please find below Lethbridge Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will support.

In preparation for 2023, we have worked with Kookaburra Educational Resources to make arrangements for student essential items. Parents can order book packs online through the Kookaburra parent portal. All items ordered through Kookaburra by families will be individually packed and delivered directly to the school for the beginning of the school year. (NB: This method avoids postage costs for families). Lethbridge Primary School have worked hard with Kookaburra to offer a suitable pack of items tailored to your child's learning area at a very competitive price, whilst maintaining the quality of items supplied. You may choose to purchase these items elsewhere; however, we ask that you select the same items (brands & sizes) where possible and bring all items to school on the first day of the 2023 school year.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
Chelsey Marks
Principal

School Council President

Educational items for students to own – Individual Student Book Packs

Lethbridge Primary School is looking forward to another great year of teaching and learning and would like to advise you of our Book Pack arrangements for students in 2023.

To prepare for 2023, families are now able to order their child's book pack through Kookaburra Educational Resources. All Items ordered through Kookaburra by families will be individually packed and delivered directly to the school for the beginning of the school year. For students in Years 1 to 6 in 2023, families have the option of selecting individual items from the book list as opposed to purchasing the entire pack. This may be relevant for students who do not require brand new items such as a pencil case.
